Bowling After the Pandemic

It's been a long time coming but after the pandemic we got to go bowling. This was our first outing since the pandemic. It was nice to get out with my friends and do something fun. Some people bowled and some played pool. And I also played in the arcade and tried to win a stuffed animal for my friend. I hope we get to go to other activities like Duke Gardens and out to eat at a restaurant. - By JL

As always, whenever the Clubhouse go bowling I manage to always end up playing pool with Ellis. I find this fun and enjoyable. I have been playing pool for about twelve years. Then if I get bored playing pool I go watch members bowl. - By AJW

Friendship By MP

What makes a good friendship? Well, a friendship is something what I really like. A friendship is very nice to me. A friendship is also have a really something special, like meeting some special people at Threshold when we come in. A friendship when people talking, listening, and helping each other. And a friendship is very happy, or sad, but not fighting each other. And that's what makes a good friendship is really all about.

Disney Trip!

By TW

I am so excited to go to Disney World in March! I'm going with my husband Donald and it's to celebrate our 1 year of being married! We will head out on March 14th-18th and we will be taking a plane. I'm a little nervous to go on the plane because this is my first time! But, I think I will be "A" ok!

If You Could Visit Outside of the USA, Where Would You Go?

My favorite vacation outside the USA is? London, England. It's home to the royal family including King Charles, Queen Camilla, Prince William, Princess Kate, Prince Harry and Princess Meghan who's from the USA originally. I like to say it's also the home to the Buckingham Palace and was home to the 2012 Summer Olympic Games and also home to music stars like Sir Paul McCartney, Sir Ringo Starr, Sir Elton John, and Dua Lipa and I would one day experience London, England.

If I was going on vacation outside the United States, where do I go is London, England. Why? Because I didn't go there, it's kind of nice city all over in Europe, and let me tell you. It has a Big Ben clock, a Buckingham Palace, a cathedral churches, and many more. I would like to go to London someday, it's going to be exciting for me. But I can't wait!!

A Young Man's Dream

By DS

When I was a young man don't you know I dreamed young man's dream. Now as I grow older things aren't always as they seem. Still at times I get real scared at night when I'm alone. And my eyes would still get red if I off and got stoned. So believe it when I tell you life gets shorter every day. You got to live hard while your young and strong. And don't let it slip away because beauty passes quickly. And time it marches on and we all get to face the music in the real world on our own. In life we all are equal one is what we see. But like pieces of a puzzle we're all part of God's mystery.

All About Presidents Day

By SM

Our presidents whom our forefathers have all tried to make equality and peace. Always to be reminded in their strides and now remember Ben Franklin inventing electricity. Now remember the George Washington cutting down the famous cherry tree. He stood for valor and integrity. Now the president has a lot of ideas for one come all. Always on top of things and never to fall. Now his toughness is like rawhide and never runs and hides. Hedges do exist sometimes, always he keeps his word and freedom sells, and God loves America, and trust the liberty bells.
